HERALD | SLOUGHHOUSE | WILTON

Application to Serve on the SRCD Board of Directors

NAME: Herb Garms

RESIDENCE ADDRESS: 13575 Kiefer Blvd, Sloughhouse, Ca.

MAILING ADDRESS: P.O. Box 1405, Sloughhouse; Ca.

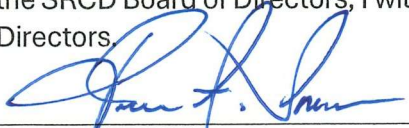

PHONE: 916-214-6722

EMAIL: GarmsFarms@gmail.com

Please provide a brief description of your background and qualifications and any other relevant documents you believe support your eligibility and nomination, including relevant experience and/or education (ex: resume), with particular emphasis on SRCD priority focus areas as identified in the SRCD Long Range Plan. Provide additional attachments as needed.

I have spent my life in ranching and farming and attended Cal Poly in San Luis Obispo. For 25 years, I owned a packaging supply business serving the agricultural industry with food-packaging solutions. I joined the Sloughhouse Resource Conservation District (SRCD) Board in 2011 as an Associate Director, was appointed to the Board of Directors in 2015, and have served as Board Chair since 2021. I also helped establish the Cosumnes Groundwater Authority to support groundwater planning following the adoption of the Sustainable Groundwater Management Act in 2015. In addition, I helped develop SRCD grant programs that have benefited communities throughout Sacramento County.

I, the undersigned, agree that the provided information is accurate, that I meet the qualifications to serve as an SRCD Director as outlined in Public Resource Code 9352, and that, if appointed to the SRCD Board of Directors, I will comply with all laws, regulations, and policies applicable to Directors.
